WELD VR

Quick Start Guide
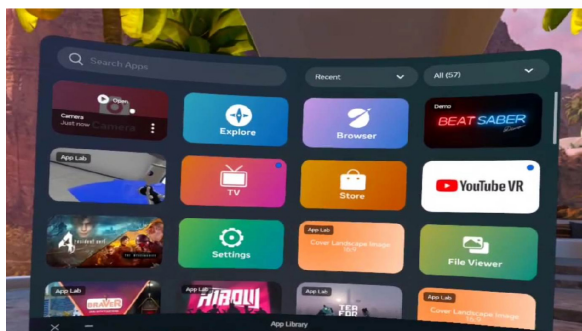

User Manual

Content

Preparation

To get started open up the WeldVR hardcase and take out the Oculus Quest 2 Headaset, Controllers, Controller Mount and Google Chromecast.
Plug in the Google Chromecast device to the TV, power on the Oculus Quest 2 Headset, go to the Apps, then press the Camera, click the Casting Icon and the Google Chromecast should appear. Select the device and start casting.

Close

Cast Computer

To start casting:

On your computer, open Google Chrome or Microsoft Edge and log in to your Meta Account.
Go to **oculus.com/casting**

Put your headset on and press on your controller to open the universal menu.

Select **Camera**, select **Cast** then select **Computer**.

Full Screen:

To get a full screen image click on the **settings icon** on the bottom right corner and toggle the **Widescreen (crop)** option.

Launching WeldVR

Locate the WeldVR App in the installed Applications Menu on your Oculus Quest 2 Headset and launch it by clicking on it.
